Growing the Economy
of Mid & East Antrim

Are you a business trading for less than one year?

The new Kickstart Programme offers specialist mentoring support to those businesses in the start-up phase of trading.

To access support from the programme, your business must be:

- Based within the area of Mid and East Antrim Borough Council
- Trading less than one year

As part of the programme, you will benefit from mentoring in the areas of:

- 12 hours of specialist one-to-one business mentoring and advice
- Interactive workshops and networking
- Future planning and goal setting

To find out further details or to register for the programme contact:
